

# WELCOME TO FARMINGTON

## ASSISTANT MANAGER PROGRAM

“I received so much support from all of the managers during my time at Farmington. After working hard, learning from seasoned professionals and understanding what makes each department operate successfully, my passion for the hospitality industry has only grown. I am so grateful I chose the private club industry for my career. While I will miss the relationships I made at Farmington, the Assistant Manager Program has prepared me to take the next step in my career.”
